

## **Directions to the Lake**

### **Toll road route**

Once your sat nav has got you to Damvillers you will come into the village from the Verdun side. You will need to drive through the village and about 1 mile after the village you will see on your left a large water tower in front of a commercial site called COLAS on the right you will see a slip road and you will see the carpscape gates.

### **Non toll roads route**

You will come through the Belgium route meaning you will be heading into Damvillers from the Montmedy side 1 mile before you reach the village of Damvillers you will see on your right a large water tower outside a commercial site called COLAS on the left you will see a slip road and you will see the carpscape gates.

The toll roads will take around 4 hours with no stops and currently for cars one way costs roughly €35 per car

Non toll roads takes around 4 1/2 hours but no tolls.
